CEILING  
MEDALLION  
FINISH GUIDE

**EKENA**  
MILLWORK

[www.ekenamillwork.com](http://www.ekenamillwork.com)

Each medallion is hand painted by our in-house artist and done at the time of order. Hence, there is a possibility of slight variations. The character present in hand-painted products makes it truly unique and beautiful. Our artisans make every effort to be as accurate as possible to display and feature the product description listed online, but screen displays of monitors and various devices may differ and may not provide exact information.

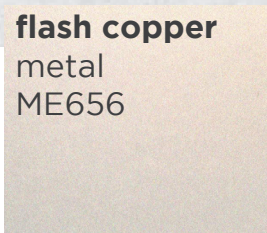

Each medallion is hand-painted with the highest quality of care and thoughtfully inspected before shipped to it's new home.
